Nigerian Market Growth

+220M Population

Investing made easier.

ilinvest is an investment platform connecting retail and diaspora investors to vetted Nigerian assets: real estate, SME debt, and equities.

It simplifies access with low entry minimums, automated portfolios, and transparent reporting. Targeting Nigeria's 220M+ population and growing middle class, the platform captures demand for wealth-building products in a high-growth under-served market.

Built for scale, compliance, and returns.

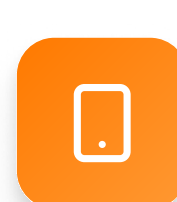

Why Invest?

Access vetted Nigerian opportunities with confidence and transparency

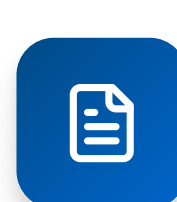

Low Entry Minimums

Start investing with as little as \$50 and build your portfolio gradually.
